Good Morning Sir,

I am corresponding to you to let you know that the fee charge for your request is \$56.00. This fee is for the search and retrieval that exceeded the first two hours allowed as not chargeable to you. You are also not charged for any review time spent.

You made a Request a copy of the Statement of work, the reports produced and the presentations provided to the EPA by Eastern Research Group, Inc. Lexington, Mass., under contract EPW10014.

Also, because of the voluminous amount of records you responded, ?I will narrow my request to the most recent 4 reports relating to that topic.?

Please respond to this message with your approval and agreement to pay the \$56.00 fee so I can process release of the information.
